

2023 Adaptive Riding Program

What is adaptive riding? Adaptive Riding (AR) is a recreational program which uses equine-assisted activities for the purpose of contributing positively to cognitive, physical, emotional, and social well-being of people with disabilities. AR also provides health, education, sport, recreation, and leisure benefits. AR instruction includes: riding, horse anatomy, tack, and equine supplies.

Who is AR for? AR is designed for individuals with disabilities 4-years-old and older who would like to experience the rewarding benefits of horseback riding, horsemanship, and equine knowledge. Riding is designed to improve flexibility, strength, balance, self-confidence, socialization, and recreation in the outdoors. Our instructors have experience working with riders with a variety of disabilities. Individuals without a diagnosis are also welcomed and encouraged to ride!

Our Adaptive Riding Instructors will perform an **intake assessment** and the individual's riding ability will be determined at the discretion of the instructor. Physical, occupational, and speech therapists are available for consult, if necessary with the riding instructor, to maximize the rider's independence, safety, and achievement of goals-- a unique benefit of our recreational program.

Horse Anatomy & Tack-Equine Grooming: Instruction and hands-on activities are provided periodically, especially on windy/rainy/excessively hot days when it may not be safe to ride. Students will learn about horse anatomy and how it relates to riding experiences. Riders will learn the proper way to tack up and care for a horse and will be introduced to the necessary tools used to care for horses including grooming and feeding. All of these activities promote rider confidence and independence.

Proper Attire and Equipment:

Required:

- ASTM-SEI approved horseback riding helmets and can be found at *Thrifty Horse, Amazon, or Stateline Tack*. (Bike helmets **are not** allowed.)
- Closed-toe tennis shoes with rubber soles. (Open-toed or mule-type shoes are not allowed.)
- Long pants (if shorts/dresses/skirts are worn, instructors will adapt lesson)

Wearing sweatpants or slippery clothing negatively impacts stability while riding and should not be worn. Shoes that have slippery soles may also compromise the rider's ability to keep their feet in the correct position and are not allowed. Riders who wear leg-braces should discuss their circumstances ahead of time with their instructor.

Optional:

- Leather riding boots (Western or English)
- Jeans, riding breeches, or jodhpurs
- Lightweight jackets when weather is cool
- Leather gloves (hand protection is beneficial)

Provided:

- A horse
- Saddles, Saddle Pads, Bareback Pads and Bridles
- Grooming equipment and items for hands-on activities

Pricing:

First-time Registration Fee (due before time of assessment) -----\$65 (one-time)

Group Lessons (2 or more riders in a lesson) ----- \$50 per lesson

Private Lessons (individual) (1 hour) ----- \$65 per lesson

(Lesson type is based on the rider's intake assessment and at the instructor's discretion.)

Adaptive Riding Policies

The following policies enable the best quality program possible:

1. Please arrive a few minutes early for your lesson. This will give you a chance to use the restroom, get your helmet on, and be ready to start on time.
2. Excessively late arrivals will not be accommodated, and a cancellation may be assessed. Horses will be put away after 15 minutes.
3. Payment is due prior to the lesson. Riders with outstanding invoice payments will not be allowed to ride.
4. Riders without proper attire will not be allowed to ride and lesson will be adapted for the day.
5. Rider must acquire an ASTM-SEI riding helmet by second lesson. Riders may borrow a facility helmet for the first lesson.
6. If helmet is forgotten in subsequent lessons, rider may borrow a facility helmet, but helmet fitting will take away time from the lesson time.
7. Weather may dictate if the session is mounted or unmounted and will be at the facility's discretion. Instructors are well trained in conducting (F)UNmounted horsemanship skills and make the lesson fun and educational for all. Horsemanship education may be indoors or out on the ranch. **Lessons are not cancelled due to weather.**
8. Riders may come off the schedule due to excessive cancellations, repeated failure to pay promptly, or other potential circumstance. The rider will not be allowed to return until the balance due is paid in full and an open spot is available. Returning to the schedule during the previous session day and time is not guaranteed and rider may be placed on a waiting list.
9. All parents and guardians are required to remain on campus during the time of their rider's lesson.
10. All parents and guardians are required to stay out of the arena for safety reasons. Do not enter the lesson area unless asked by the instructor.
11. If you have questions about payments, cancellations, or anything related specifically to adaptive riding, please use the **phone number (951) 339-3510**.
12. Invoices must be paid:
 - a. Electronically by credit card using the invoice emailed to you
 - b. By cash or check placed in one of three available AR Payment drop boxes. Exact cash only. *(Drop boxes are located at the Norco campus reception area and in the Adaptive Riding shed, and in the parent viewing area at the Sierra campus.)*

No-Show and Cancellation Policies

Adaptive Riding payments do not cover a rider's full costs and the program is subsidized through nonprofit funding from many generous donors. Although occasionally necessary, "No-Shows" and "Cancellations" are detrimental to the program, including unintended consequences such as:

- *Inefficient use of staff and volunteers, leading to increased program costs*
- *Unnecessary tacking and untacking of our horses*
- *Preventing other children on our wait list from participating*

No-Shows are defined as lessons not kept without communication and will be charged for the full session. No make-up lesson will be offered.

Cancels are defined as a lesson not kept with prior communication. With a minimum one-week advance notice, a session may be able to be rescheduled based on instructor availability and previous cancellation history. Some riders will be assessed a \$20 cancellation fee depending on their payment plan option.

(Please refer to your payment plan for specific details and fees. See the following page.)

1. All Riders are allowed one cancellation per year without consequence.
2. Any outstanding fees due must be paid for rider to resume sessions.
3. To cancel a lesson, please email ARcancellations@leapspediatric.org or call (951)339-3510 (leave a message if necessary).
4. Excessive cancels (3 or more) or no-shows (more than 1), may be removed from the schedule.
5. No-Shows will not be allowed to make-up the lesson.
6. Make-ups are only allowed within 30 days of missed lesson and are strictly on an "as available" basis. Please note this means that make-ups are not guaranteed. It is the rider or guardian's responsibility to reach out to the program manager Megan Baker mbaker@leapspediatric.org with days and times available to schedule the makeup. If we do not hear from you, that lesson will be forfeited.
7. Once a makeup is scheduled, it must be kept. Canceled makeup lessons will also be forfeited.

I have read and understand Friends of Leaps & Bounds Pediatric Therapy's No-Show and Cancellation policies.
